B.Tech in Computer Engineering   May 2020 — Present

RK University — Rajkot,India

CGPA:8.68

Higer Seconadary Education   May 2018 — May 2020

Samithi English Medium School — Surat,India

OBJECTIVE

Aspiring Web Developer seeking an entry-level position to leverage my skills in HTML, CSS, and JavaScript. Passionate about user-friendly design, team collaboration, and impactful projects.

PROJECTS

E-Commerce Website Using MERN

Full Stack Project in MERN E-Commerce. Created user-friendly interfaces with React.js, using Redux Toolkit for smooth state management, and backend solutions with Node.js and MongoDB. It includes admin panels, integrating secure payment gateways, and deploying applications to cloud platforms.

React With Redux

A dynamic project using React and Redux to enhance state management and user interface responsiveness. Implemented efficient code organization, ensuring scalability. Integrated Redux for streamlined state management, optimizing data flow and enhancing application performance.

SKILLS

HTML & CSS
MySQL
Java
JavaScript
React.js
Node.js
MongoDB
Git
Spring

ACHIEVEMENTS

• Participated in Code-e-thon 2022, organized by Gateway Group of Companies.

LANGUAGES

English
Hindi
